In response to the Commission's RFAI dated 11/25/14, we have filed amended 12-day pre-general and 30-day post-general reports for the 2014 general election cycle. The amended reports correct the issues identified in the RFAI, namely that beginning and ending cash balances, and year-to-date totals in Column B did not correlate with other figures reported. The itemized receipts and disbursements and the total receipts and disbursements reported originally have not been amended.
